The Program is owned and operated by Printful, Inc. ("Printful"). The Program is offered subject to your (the "User" or "you") acceptance without modification of any of the terms and conditions contained herein and all other operating rules, policies and procedures that may be published occasionally on the printful.com website (the "Site") by Printful including, without limitation, Terms of Service, Shipping, Pricing, Return Policy, Privacy Policy, and others - each of which is incorporated into this Agreement by reference and can be found on [Printful Policies](#). If you do not agree with this Agreement, do not use the Program.

You indicate your acceptance of this Agreement and all of the terms and conditions contained or referenced in this Agreement by completing the application process and continuing to use the Program.

1. Affiliate Agreement

The User certifies to Printful that if the User is an individual (i.e., not a company); the User is at least 18 years of age. If the User is a legal entity, you certify that you are an officer of the company or you are otherwise authorized to act on behalf of the company. Printful at its own discretion, may limit or terminate the access to or participation in the Program for certain individuals and/or entities, such as but not limited to ecommerce platforms, online marketplaces, and other partners not eligible for joining our Program according to Printful's determination. The User also certifies that it is legally permitted to use the Program, and takes full responsibility for the selection and use of the Program. This Agreement is void where prohibited by law, and the right to access the Program is revoked in such jurisdictions.

2. Registration & Account

In order to enjoy all the benefits of the Program, the User must register with Printful and purchase a subscription. Subscription requires that the User registers on the Site (including by filling out all required personal information). The User may opt out of marketing and promotional emails. The User may cancel participation in the affiliate program by deleting their Printful account. To complete registration, the User shall provide an email address and a password. The User may never use another user's Printful account without permission from that user. The User is solely responsible for the activity that occurs on the User's account, and the User must keep its account password secure. The User must notify Printful immediately of any breach of security or unauthorized use of its account. Although Printful will not be liable for the User's losses caused by any unauthorized use of its account, the User may be liable for the losses of Printful or others due to such unauthorized use.

3. Modifications

Printful reserves the right, at its discretion, to change, modify, suspend, or discontinue this Agreement, Program, fees, charges, and terms at any time, including the availability of any feature, or content. Printful may also impose limits on certain features or restrict the User's access to parts or all of the Program without notice or liability. The User shall be responsible for reviewing and becoming familiar with any such modifications. Use of the Program by the User constitutes the User's acceptance of the terms and conditions of changes as modified.

4. Affiliate URL

You will be issued a unique URL once you become an approved User of the Program which will be unique to you only, and will allow you to be paid for affiliate referrals. You can place that URL on your website, emails, blogs, social network advertising, or similar campaigns from an account or platform that is registered in your name or that you are authorized to use. Printful, at its sole discretion, may change your URL.

When an affiliate URL is opened, the cookie file is saved in the browser's cache for 30 days. Customers need to sign up or place an order during this time to be linked with your affiliate account.

5. Commissions

Printful will pay commissions for each eligible Printful product and Growth plan subscription purchased by referred customers who visit the Site through your unique URL and sign up as a customer. Commissions on Printful products will only be paid if the products are sold through [Printful-approved ecommerce platforms and integrations](#). Eligible Printful Growth plan subscriptions qualify for a one-time commission if a referred customer purchases an eligible Printful Growth plan subscription. You will not receive commissions for sample orders, from referred customers applying for a free subscription trial, or from repeat subscription purchases (if a previously referred customer re-subscribes to an eligible subscription). Additionally, taxes and shipping are excluded from the calculations, but discounts are included.

The affiliate period of each referred customer lasts 12 months after your referred customer's first order. Referring a prospective customer who previously was or currently is a Printful customer does not qualify for commission. You can track affiliate commissions by logging into your Affiliate Dashboard on the Site.

To avoid confusion, all tax-related reporting to relevant tax authorities is entirely your responsibility. We will withhold taxes from payments that are due (including international payments) if you do not provide Printful with relevant documentation (such as the W8-BEN form or other).

6. Payment

For commissions on Printful products, you will receive commissions after the product order has been fully shipped, meaning that if part of the order has been shipped, commissions will not be credited until the final part of the order gets shipped. In the case of an eligible subscription, you will receive commissions after the referred customer has made the first payment of the subscription fee, and the time period for a referred customer to cancel the subscription and receive a refund, if any, has expired. Commission is calculated after any refunds if any refund is given to product orders. In the event that the customer's product order is canceled, returned, or refunded for any reason, we will deduct the relevant amount from your accrued earnings. If a refund is made after we have paid the commission to you, we will deduct the respective amount from your account (including any future payments).

The minimum withdrawal amount is \$25 USD. If, for any reason, this Agreement is terminated prior to your first commission being due and the account balance is below \$25 USD, then no referral commission will be due. If the commission is not withdrawn from the balance within 1 (one) year, then this past due commission, in Printful's sole discretion, may be voided and removed from the commission balance. All payments will be made via PayPal in USD within 1-3 business days after your request is received via PayPal. You must have a PayPal account for this purpose.
